34	Nite Lite / Flashlight	Use your phone to illuminate your surroundings when a flashlight isn't handy.
35	NPR	Get worldwide news and listen to your favorite NPR programs on the go. Users can search the NPR archives to listen to interviews from previous years. The NPR app gives older adults their world news and relevant stories in a concise and easy-to-use app.
36	Open Table / No Wait	Make reservations at your favorite restaurant ; use "No Wait" so you don't have to wait in line
37	Pandora (\$3.99 / month)	The most comprehensive music analysis ever undertaken. Pandora gives you personalized radio that plays what you love and continually evolves with your tastes
38	Park And Forget (\$.99); Take Me to My Car (free)	All you have to do is press a button to save your car's location and forget about it. In case you get lost, launch the app and hit "Locate car" button. You'll get directed towards your car. The app also lets you take the picture of your parked car, to better help you locate your car.
39	Pillboxie (\$.99)	Reminds you to take medications at the scheduled times you set. Customize your medications by color and drag them into the sectioned pillbox graphic to easily organize your prescription schedule. This useful app ensures you will never again forget to take your daily medications.
40	Puffin Web Browser	If the web site uses Flash, use this browser instead of Safari.
41	Qrafter	Use your phone's camera to scan a QR Code

	A	B
42	Recipe of the Day	Williams & Sonoma share their recipes; daily recipes require a subscription
43	Red Herring	Word game that challenges your mind by grouping like words.
44	RunPee	The RunPee database is constantly updated--the day movies are released in theaters--to tell you the best times to run and pee mid-movie...without missing the best scenes. Of course, we provide a synopsis with each peetime, so you will know exactly what you missed.
45	Shazam / SoundHound	Identify music/songs and get the lyrics. With SoundHound you can even hum the melody.
46	Silver Surf	Silver Surf permits operators with less than perfect eyesight to zoom in, set higher contrast, and display larger buttons for easier use. The app simplifies phones that are difficult for older users to navigate.
47	Skype	Video chat over wireless for free; useful if you don't have FaceTime
48	Storm	Great, detailed weather information
49	STPSB	Keep up with the best of STPSB
50	Talkatone	Call or text over WiFi without using your minutes
51	The Coupons App	Unbelievable coupon discounts at your favorite stores, restaurants & gas stations - coupons always at your fingertips, everywhere you go!
52	The Weather Channel	Get constant updates on the day's weather and what to expect in the forecast. Mobile alerts let you know if your forecast predicts severe weather.
53	Tripit	Keeps hotel, flight, car rental documents in one place
54	True Caller	Identify and block spammers, search for unknown numbers, call friends and much more! With a community-based spam list from over 250 million users,
55	Urban Spoon	Dedicated to helping you find the best food and dining experiences at over a million restaurants.
56	Use Your Handwriting	Use Your Handwriting lets you finger write quick notes, lists and messages on your iPhone or iPad and even view them on your Apple Watch. Its unique handwriting engine simulates the physics of a fountain pen to produce smooth and fulfilling drawing strokes.
57	Virtual Zippo Lighter	No need for matches when you want to light up at a concert
58	Vivino Wine Scanner	Shopping for wine, dining out, invited to dinner or just looking to try new wines? Vivino is your partner in wine, always with you and ready to help you pick, remember and share your wines.
59	Voice Reading	This app reads text aloud from the Internet, emails, messages, and even text files. Choose from a variety of language and accent settings to better understand the app's "voice." Seniors that have trouble viewing small text on phone screens or want to check messages while driving will find the Voice Reading app particularly helpful.

	A	B
60	Watch ESPN	Stay connected to live sports and shows from ESPN - wherever and whenever you want them. Get 24/7 access to live streaming feeds from ESPN, ESPN2, ESPN3, ESPNU, ESPNNews, ESPN Deportes, SEC Network, SEC Network +, Longhorn Network, ACC Network Extra, ESPN Goal Line, ESPN Buzzer Beater, and ESPN Bases Loaded. Access determined by your TV and/or Internet Service Provider.
61	Waze	A social app that uses GPS for driving with on-route travel notifications for accidents, vehicles on the side of the road, police, etc. It will automatically reroute you to the quickest route. You can also use it to share your trip with friends so they know where you are at all times and when you will arrive.
62	WebMD	Physician reviewed health content and constantly updated information about maintaining a nutritious lifestyle. The “Healthy Target” section lets you establish goals for your eating and exercise habits and then gives actionable insights at the end of each week. Enter your symptoms and find possible causes on the app, as well as common treatments for the diagnoses. While WebMD cannot take the place of your general practice physician, the app is a great resource for sustaining a healthy diet and routine.
63	White & Yellow Pages	Do you need to find a business? What about a friend? We can help you with both. With all the offerings of the Yellow Pages combined with the access of the White Pages, this app turns your iPhone, iPod or iPad into a portable reference guide.
64	Words with Friends	Scrabble like word game to play with friends.
